SUITED & BOOTED FUNDRAISING DINNER

Our Community

Each month, 2800 people visit **KLEEN STREET** requesting housing, recovery coaches, employment referrals, and other service information

KLEEN STREET

We are a non-profit service organization that provides a safe environment, recovery programs, educational activities, and community outreach.

Our Call to Serve

Now its our time to serve these men, women and families so they can enjoy the liberties that they fought for.

Attend **SUITED & BOOTED**

Veterans wear many uniforms. They serve, meet and overcome challenges. 'Walk a mile in their shoes' doesn't paint the full picture of veterans in recovery. **Wear your boots** and support them as we come together November 3rd.
